Treasurer, Kathy was not present. President did Treasurer's report.

Circle of Concern in Valley Park looking for donations for school supplies in Jefferson County. Debbie Allen talked to Bob Hayes from Memories Car Club. Bob is getting a circle of friends from area car clubs to help with this drive, sort of a challenge to area car clubs. This is showing the support that car clubs do care about our communities and surrounding areas. American Roadhouse members voted to donate \$50.00 to this drive. We will let members know when check will be presented to this organization.

American Roadhouse paid for their annual renewal for the Secretary of State, Sandy paid it for 2 years, instead of just one. Thanks for keeping the club up to date Sandy!!!
